The Rosie Crane Trust supports bereaved parents through their grief after the loss of a son or daughter of any age

Drop-in Centres in Yeovil and Taunton

At the drop-in centres bereaved parents meet in a safe and confidential environment where they can talk to others who really understand and empathise with them. There is no obligation to talk, unless you want to, many people find it a great help just to be in the room with others who have experienced the loss of a son or daughter. We will be organising talks, workshops and therapies throughout 2018.
